

January 20, 2010

Dear Parents,

As you know, each class will have a dance that they will perform in the Spring show, titled, "Dancing on Air." Our Spring show will be June 9<sup>th</sup> (rehearsal) and June 10<sup>th</sup> (performance) at the Arts Council Theatre.

*We have included a cast and schedule for extra pieces in the show which will begin [the first week in February](#). If you were not cast in a piece, but would like to be, please let us know. Many of you have asked for your billing statement, and we will have that ready by the end of the week. We wanted to wait until casting was finished so we could calculate the hours.*

*A \$20 costume fee(per class) and \$30 stage fee is due by January 18<sup>th</sup>. If you take a combination of ballet, tap & jazz, you will have a \$20 costume fee per subject. Costume balances will be due in May. Your statement will note if your costume will be rented or purchased. We are also trying to order dancewear to pair with costuming that students may wear later. If you attend a level IV class, you will only have 2 costumes.*

Just a reminder that I will be out of town January 25-29. Jami Nun-Ivey from Salisbury Ballet will fill in for me on Tuesday and Hannah Wilding will fill in for the Thursday pre-pointe class.

Last, but not least, level I & Company members, in order for students to participate in lead roles in the Nutcracker, students must take the required number of hours at The Ballet & Performing Arts Centre on a year round basis.

I hope this information has been helpful, and I will have summer information ready to send out in mid February. Level I/Company members will look forward to guest artists this summer!

Dancingly yours,

Natalie Mizell  
Artistic Director

# 2010 Spring Show Casting

Rehearsals begin the 1<sup>st</sup> week in February

## **Ballet Groups, Ballet Privates & Shared Privates**
